Clearwater N. Greenwood Library Brings You Prime Time Family Reading Time®

The Pinellas Public Library Cooperative again received two Library Service and Technology Act grants this year for PRIME TIME FAMILY READING TIME® programming at the St. Petersburg James Weldon Johnson Branch Library and the Clearwater N. Greenwood Branch Library. St. Petersburg provided their program in February and March 2006 and Clearwater launched their program in April and will conclude in May 2006. PRIME TIME is a family literacy program that was created by the Louisiana Endowment for the Humanities. This program is designed for families with children aged 6 to 10 to increase their interest in reading and discussion. The program encourages parents to take an active role in their child’s literacy development through a series of two hour workshops. The program lasts approximately six weeks with a scholar and storyteller leading the discussion after families share a meal time together. One of the highlights of the program is the incentives each family receives, including FREE books each week to build a home library. Through skills gained during the PRIME TIME series, families are encouraged to utilize at-home reading to continue the learning process.

Families at N. Greenwood participate in activities with the storyteller, Nikki Holcombe (left) and scholar Anne Sullivan (right) during a weekly session.

Have you gone From Broke to Bling @ your library®?
A Teen Financial Literacy Program

The Pinellas Public Library Cooperative’s partnership with Bank of America and Junior Achievement, a pilot Teen Financial Literacy program, From Broke to Bling @ your library®, has launched in Pinellas County. The libraries are hosting a program that includes information on banking, various consumer and student loans, importance of credit/credit purchasing, and overall understanding of solid financial awareness for their futures. All programs include incentives, giveaways, and financial games to strengthen the importance of financial literacy. Participants will also receive FREE meals during the two-hour long sessions.

New @ Safety Harbor Public Library

Safety Harbor Public Library offers “new” formats that circulate. Along with eBooks and Downloadable audio books, Safety Harbor now offers three special collections: children’s musical instruments, juvenile hand-held electronic games, and MP3 players. In an effort to provide more services, to think outside the box and starting small, staff wanted to see if these items might be services the community would use. The first new collection, musical instruments, was a hit! The music rack stands empty. “We are always looking for ways to improve and provide things of interest,” states Director Lana Bullian. Stop in and see what we have to offer! Call 727-724-1525 ext. 233 or log on to www.tblc.org/shpl for more information.
