Meet Young Adult Author, Catherine Gilbert Murdock

As part of the Pinellas Public Library Cooperative’s celebration of Teen Read Week (October 12-18, 2008), Catherine Gilbert Murdock will be headlining this year’s event at select library locations. The Young Adult Author program is an annual event that partners Pinellas County public libraries and public schools in hosting a young adult author during the American Library Association’s (ALA) Teen Read Week celebration. This program is in its fifth year in Pinellas County and brings author Catherine Murdock to varying locations to provide a public presentation and/or writing workshop to teens throughout the county. Catherine Gilbert Murdock burst on to the scene of young adult literature with her debut novel, Dairy Queen, winner of Borders’ Original Voices Award, the 2007 Midwest Booksellers Choice Awards, and the 2007 Great Lakes Booksellers Children’s Literature Award. Her novel has also been selected as Best Books 2006 by School Library Journal and Best Books for Young Adults 2007 by the American Library Association.

Ms. Murdocks’s newest title, Princess Ben (May 2008), was inspired by Murdock’s own love of fairy tales and their hidden meaning. The author will be discussing this novel, as well as Dairy Queen and The Off Season, during her author visit in October. Please check back for appearance dates and times.
