Celebrating 20 Years of Cooperative Library Service

The Pinellas Public Library Cooperative (PPLC) celebrated its 20th anniversary with events at member libraries in April. Public libraries hosted film festivals, welcomed guest speakers, or “booked” a party as part of the programming. These events embodied the purpose for the creation of PPLC - to share resources and services while bringing greater access and availability to Pinellas County residents.

PPLC Board Members and staff attended city proclamations and special events to commemorate this historic advance in library service in Pinellas. During the programs, speakers stressed the importance of public libraries in the community and renewed their commitment to providing the highest quality service to adults and youth throughout the county.

For more information, please contact the Pinellas Public Library Cooperative office at (727) 441-8408 or visit the web site at www.pplc.us.

PPLC Welcomes New St. Pete Beach Library Director

On April 15, our community welcomed a new library administrator, Phyllis Ruscella. Ms. Ruscella was born in Pittsburgh, PA and graduated with a B.A. in English from Pennsylvania State University.

She taught high school English briefly while in graduate school at the University of Pittsburgh where she earned her Masters’ degree in Library and Information Science. After many years as head librarian in a large, inner city high school, she returned to graduate studies, earning a second Masters in English Literature from Wroxton College of Fairleigh Dickinson University, their overseas campus in Oxfordshire, England.

She has a broad range of experience in various library settings, from positions such as technical librarian at the Naval Training Center in Orlando, public service librarian at Rollins College in Winter Park, associate university librarian at Georgia State University, and a stint at the Southeast Florida Library Information Network. She retired—briefly—from the University of South Florida before becoming temporary branch manager at the North Greenwood Library, a part of the Clearwater Public Library System.

She now lives in Tampa, but hopes to relocate to be nearby the beaches and golf courses of her new St Pete Beach Library community.
