## New Online Catalog and Checkout System – **Coming Soon!**

By **Angela Pietras**, Director of the Pinellas Park Barbara S. Ponce Public Library

The Directors and Staff of your Pinellas County Public Libraries announce the change to a new online catalog effective Friday, March 25, 2016. The new online catalog and checkout system will continue to provide many familiar features and will offer new options for Pinellas Public Library Cooperative (PPLC) member libraries. Library patrons will keep their current library cards and passwords.

The major part of this transition will take place from March 21 through March 24. Over these few days:

- Access to the online catalog and patron account information will be interrupted.

- Library staff will be limited in performing certain tasks such as renewing items during this period.
- Access to some of the libraries' databases and electronic resources may be interrupted during this period.
- Loan periods will automatically be extended, so patrons will be able to enjoy materials a little longer than usual while library staff get up and running on the new system.
- Patrons will need to show their library cards in order to check out materials.

Links to the new catalog will be available on March 25. Patrons who have saved a link to the current catalog

on their personal devices will need to delete the old link, and save the new link. After March 25th, patrons will be able to search the catalog, place requests, and enjoy full account access – back to business as usual.
