

August 2018 Program Guide

A Monthly Publication of the Pinellas Public Library Cooperative

www.pplc.us

AT YOUR PUBLIC LIBRARY!

A new school year is beginning August 13th, with all of the excitement, nervousness, and stress that accompanies it. It is easy to be overwhelmed with start dates, material lists, clothes shopping, and adjusting to new schedules. As students and parents prepare for the upcoming school year, your public library stands by ready to offer resources, programs, and services needed for a successful school year!

Your Pinellas public library has many resources available to students and families. Housed on the library shelves are an abundance of educational and entertaining books for children and adults, whether you are reading through the Harry Potter series for the first (or hundredth) time or you are looking for books on ancient Greece for a school report, you can find what you are looking

for at your public library. If you need a book suggestion, or are struggling with your homework, there is a team of friendly library staff waiting to help you!

Public libraries are more than just book repositories. There are public computers for you to use, databases that you can access anywhere with just your library card number, and a dedicated group of staff members trained to find answers to your

questions. There are also classes and programs for children and adults to participate in. Whether you are looking for homework help, a storytime, or want to learn to play an ukulele, there is always something fun happening at your public library. These classes and events can be found by browsing this program guide. As you say goodbye to summer, say hello to your public library!

For information on school-based clinics that provide free services for clients who have limited income or no health insurance visit:
