# April 2018 Program Guide

A Monthly Publication of the Pinellas Public Library Cooperative

## Celebrate National Library Week **APRIL 8-14**

**H**as your Pinellas Public Library ever led you to discover something new? Pinellas public libraries are thriving with opportunities for discovery:

- ◆ Discover new authors and stories on the physical and digital shelves of your Pinellas public library.
- ◆ Experiment with new technologies available through maker spaces and innovation labs housed in public libraries across Pinellas county.
- ◆ Attend informative and fun programs with engaging speakers on a variety of topics for all ages. See this program guide for a listing of events.
- ◆ Make use of the tools, musical instruments, museum passes, seeds, and other novelty items available for checkout at your public library.
- ◆ For more information and ideas, read through this program guide for events specific to YOUR library, or visit in person or online for more information about all the opportunities for discovery that your public library offers. Pinellas public library staff are also a great resource for recommendations!

### Participate in National Library Week

National Library Week is the perfect opportunity for you to tell your story. How has your Pinellas public library led you to something of value in your life? Look for opportunities to tell your story at your local Pinellas public library during National Library Week.

Your stories and support are a valuable part of the success of your Pinellas public library.

### What is National Library Week?

Each week during the month of April school, college, and public libraries across the United States join together to celebrate National Library Week, a week dedicated to celebrating the value libraries, librarians, and library workers bring to their communities.

2018 marks the 60th anniversary of National Library Week, which first began in 1958. In the mid-1950s, research showed that Americans were spending less on books and more on radios, televisions and musical instruments. Concerned that Americans were reading less, the ALA and the American Book Publishers formed a nonprofit citizens organization called the National Book Committee in 1954. The committee's goals were ambitious. They ranged from "encouraging people

to read in their increasing leisure time" to "improving incomes and health" and "developing strong and happy family life."

In 1957, the committee developed a plan for National Library Week based on the idea that once people were motivated to read, they would support and use libraries. With the cooperation of ALA and with help from the Advertising Council, the first National Library Week was observed in 1958 with the theme "Wake Up and Read!"

### A Hearty Thank You to Library Volunteers

This year National Volunteer Week is celebrated April 15th-21st. There are hundreds of library volunteers who graciously give their time and talents in service of Pinellas county libraries. Volunteers work tirelessly in Pinellas public libraries aiding in library book sales, fundraising, planning and funding library programming, and are enthusiastic members of local Boards, Foundations and Friends groups. Volunteers at the PPLC Talking Book Library aid in inspecting and shelving books, outreach activities, and providing service to those who cannot read standard print books. Volunteers also contribute to the PPLC Deaf Literacy Center by assisting in numerous special programs and sign language interpretation. PPLC recognizes and thanks all Pinellas county library volunteers for their generous contributions.

# Adult Classes & Events
